PREAMBLE

The Agreement entered into this 18th day March, 2010, by and between the Alloway Township Board of Education, the Township of Alloway, Salem County, New Jersey, hereinafter called the "Board", and the Alloway Education Association, hereinafter called the "Association".

ARTICLE 1: RECOGNITION

- A. The Board hereby recognizes the Alloway Education Association as the exclusive and sole representative for collective negotiations concerning the terms and conditions of employment for all teachers, school nurses, LDT-C, social workers, guidance counselors, and psychologists employed on a full or part-time basis in positions that require certification or licensure.
- B. Unless otherwise indicated, the term "teacher(s)" and "employee(s)", when used hereinafter in this Agreement, shall refer to all employees represented by the Association as defined in Article 1, Section A, and references made to teacher(s) shall include those of either sex.

ARTICLE 2: NEGOTIATION PROCEDURE

- A. The parties named herein agree to enter into collective negotiations over a successor agreement in accordance with Chapter 123, Public Laws of 1974, in good faith effort to reach agreement on all matters concerning the terms and conditions of teachers' employment. Such negotiations shall begin no later than prescribed by New Jersey State Law. Any agreement so negotiated and approved by a majority of the entire body of each party shall apply to all teachers, be reduced to writing, and signed by the President and Secretary of each party.
- B. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed and approved by the parties.

ARTICLE 3: GRIEVANCE PROCEDURE

WRITTEN POLICY SETTING FORTH PROCEDURES TO BE FOLLOWED FOR THE PRESENTATIONS, CONSIDERATIONS, AND RESOLUTION OF GRIEVANCES AND PROPOSALS OF EMPLOYEES.

- A. Any individual teachers or group of teachers employed by the Alloway Township Board of Education shall have the right to appeal the application of policies and administrative decisions affecting them or to submit proposals for consideration through clearly defined administrative channels.
- B. A grievance to be considered under this procedure must be initiated by the employee within thirty (30) calendar days of its occurrence.
- C. It is understood that teachers shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
- D. Failure at any step of this procedure to communicate the decision of a grievance within the specified time limits shall permit the aggrieved teacher to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limit shall be deemed to be acceptance of the decision rendered at that step.
- E. Purpose: The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems, which may from time to time arise affecting teachers. Both parties agree these proceedings will be kept informal and confidential.
- F. With respect to such grievances or proposals, said teachers shall be assured freedom from restraint, interference, coercion, discrimination, or reprisal in presenting such appeals or proposals. Such teachers shall have the right to present their own grievances or proposals, or designate representatives of the Alloway Education Association to appear with or for them at any step in this procedure.
- G. Procedure:
 - Level I: Any teacher or group of teachers having a grievance or proposal shall first discuss it with the Principal or Assistant Principal in an attempt to resolve the matter informally at that level.
 - Level II: If, as a result of this discussion, the matter is not resolved to the satisfaction of the teacher(s) within ten (10) school days, he or they shall set forth the grievance in writing to the Superintendent. Said grievance shall specify the section of the Agreement violated, the issue in dispute, all dates (dates of occurrence, filing, prior decisions and appeals), the disposition desired, and other pertinent data required to process the grievance. The Superintendent shall communicate his decision to the teacher(s) in writing within fifteen (15) school days of receipt of the written grievance and shall supply the Board with copies of such correspondence.
 - Level III: If the teacher is dissatisfied with the disposition of the grievance by the Superintendent, the grievance may be transmitted to the Board within ten (10) school

days after the Superintendent has communicated his decision. The Board, within thirty (30) calendar days, shall hold a hearing with the teacher. The Board shall render a decision within twenty (20) calendar days of the hearing. The Board, through the Superintendent, shall communicate its decision in writing to the Association. If the teacher is not satisfied with the disposition of his grievance by the Board, the teacher may, within five (5) school days, request in writing that the grievance be submitted to arbitration by the Association. If the Association elects to submit the grievance to arbitration, it shall do so within fifteen (15) school days of receipt of the Board's decision and provide notification of the Association's submission of the grievance to arbitration to the Superintendent.

H. Meetings and Hearings

All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representative, heretofore referred to in this Article.

I. Arbitration

1. If within ninety (90) days of submission to PERC an arbitrator has not been assigned, then in the alternative, the process will allow for the use of the American Arbitration Association (AAA). A request shall be made to the AAA to submit a roster of persons qualified to function as an arbitrator in the dispute in question. Thereafter the parties shall be bound by the rules of the AAA.
2. The arbitrator shall be limited to the issues submitted to him and shall consider nothing else. He can add nothing to, or subtract anything from, the Agreement between the parties. The recommendations of the arbitrator shall be final and binding. Only the Board, the aggrieved, and his representatives shall be given copies of the arbitrator's report of the findings and recommendations. This shall be accomplished within thirty (30) calendar days of the completion of the arbitrator's hearings.

J. Cost:

1. Each party shall bear the total cost incurred by themselves.
2. The fees and expenses of the arbitrator are the only costs which shall be shared equally.
3. If time is lost by any teacher due to arbitration proceedings necessitating the retention of a substitute, the Board of Education shall pay only the cost of the substitute. In the case that the grievant prevails, the grievant (and representative, if applicable) shall not be charged a day's wages to attend the arbitration hearing.

K. Rights of Employee to Representation

Any aggrieved person may be represented at all steps of the grievance procedure, by himself, or at his option, by a representative selected or approved by the Association. The Association has a requirement to act when the issue is larger and/or affects more than the individual grievant. The Association shall have the right to be present and to state its view at all stages of the grievance procedure.

ARTICLE 4: TEACHER RIGHTS

- A. Whenever any teacher is required to appear before the Board or any committee or member thereof concerning any matter which could adversely affect the continuation of that teacher in his office, position or employment or the salary or any increments pertaining thereto, then he shall be entitled to have a representative of the Association present to advise him and represent him during such meeting or interview.

5. Mechanics - Except as otherwise provided in this Article, the mechanics for the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the transmission of regular membership dues to the Association.
6. Changes - The Association will notify the Board in writing of any changes in the list provided for in Paragraph 3 above, and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than thirty (30) days after the Board received said notice.
